**OPTION #1** for School System  
Leaders & CTC Administrators:

## 25-hour PIL Ethics Continuing Education Course

### *Discussion Topics:*

- PA Model Code of Ethics for Educators
- PA Code of Professional Practices and Conduct
- Due process steps taken by PDE & the Professional Standards & Practices Commission to investigate & adjudicate Educator Misconduct Complaints
- 16 of the 19 Sections of the Educator Discipline Act

### *Class Member Activities:*

- Engage in facilitated discussions of fact-based case studies;
- Reteach much of the course content to PLC members from within their LEA; and
- PLC members teach a model lesson to their students based upon an ethical code of student conduct.

“I looked forward to taking this course to build my understanding of Professional Ethics and possible legal implications... This upcoming year, Act 49 will require the integration of professional ethics and couldn't have found this course more relevant for the time.”

— Middle School Principal

### **OPTION #2** for School System Leaders & CTC Administrators:

## Summer In-Service Non-Credit Ethics Course

### *Hybrid Programs:*

For those CTC administrators and school/system leaders who want to provide PD to your staff in 2023 but don't need PIL hours, consider these flexible options.

- Receive much of the same content as the PIL Course via Webcast. View when you choose over three-weeks.
- Apply concepts learned to actual ethical dilemmas with your administrative team in facilitated case studies via Zoom or In-Person sessions at your facility.
