Please complete the following statements with the best word/phrase.

1. If a member of an organization believes another member has violated the organization's code of conduct, he/she may file a complaint. The complaint will be reviewed by the organization's \_\_\_\_\_ to determine if a violation did occur.

2. \_\_\_\_\_ are a person's private, personal views of right and wrong. \_\_\_\_\_ are the commonly shared beliefs of the members of a group based upon their shared values. Hint: Attorneys do not repeat statements made by their clients because of this.

3. The International Society of Technology in Education (ISTE) is an association of "global educators who believe in the power of technology to transform teaching and learning." The ISTE has standards they recommend students follow to manage their online assignments and presence. We studied Standard 1.2.b Digital Citizen. It states:

- a. Students cultivate and manage their digital identity and reputation;
- b. Students respect the rights of using intellectual property;
- c. Students manage their personal data to maintain digital privacy;
- d. Students engage in legal and ethical behavior when using technology.

4. The "decision making framework" discussed in class has three recommended steps. These steps help students prepare a response to having witnessed an online legal or ethical dilemma. First is to read on your own to educate yourself. \_\_\_\_\_ is second. Third is to speak to an authority, if necessary.
